Introduction

This document defines the versions of Creo that are supported with the 12.x releases of Windchill.

Key:

N	Not Supported: This combination is not tested and is not supported
R	Supported: Released & Certified combination. These combinations are in development at the same time and are therefore subject to more comprehensive testing
C	Supported: Higher Creo maintenance releases of the same version are supported

Refer to the PTC Product Calendar for scheduled availability of product releases and maintenance builds.
